

Warranty with unlimited mileage

Tunaverken guarantees the original purchaser that any new Tunaverken aluminium disc wheel is free from defects in material and workmanship. Tunaverken agrees to replace without charge any wheel that fails in normal use and service because of defects in material or workmanship, within sixty (60) months of purchase. For clear or coloured painted wheels the surface treatment warranty is twentyfour (24) months. For diamond machined or polished wheels we do not give any warranty on the brightness of the surface because it is very much depending on use and maintenance of the wheels.

There is no other warranty, expressed or implied, except such as is expressly set forth herein. Any other expressed or implied warranties, guarantees or conditions under statute or general law relating to merchantability, descriptions, quality or fitness of the wheel for any purpose, or relating to design, materials or workmanship are excluded to full extent permitted by law.

Tunaverken does not warrant and will not replace any wheel which has been subjected to misuse or abuse including, without limitation, the following

- Using a tyre which is oversize according to standards recommended by European Tyre and Rim Technical Organisation.
- Load the wheel over the maximum weight, which is approved by Tunaverken.
- Inflating beyond the applicable maximum as specified by Tunaverken.
- Change the original condition of the wheel, by for example welding or straightening the wheel.

Tunaverken shall not be liable for any physical injury, death, financial loss or incidental or consequential damage for any breach of warranty.

Tunaverken's liability under this limited warranty is the purchaser's exclusive undertaking, being expressly limited to replacement of the wheel as herein provided. Replacement will be handled by any authorised Tunaverken wheel distributor or by any Tunaverken sales office. This warranty gives you specific legal rights. You may also have other rights under other applicable laws, the exclusion of which rights is not permitted

For further information, please contact Tunaverken Sweden AB or local Tunaverken wheel distributor.
